INTRODUCTION

This *Limited English Proficiency Plan* has been prepared to address the Village of Lindenhurst's responsibilities as a recipient of federal financial assistance as they relate to the needs of individuals with limited English proficiency. The Plan has been prepared in accordance with Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d, et seq., and its implementing regulations, which states that no person shall be subjected to discrimination on the basis of race, color or national origin.

Executive Order 13166, titled *Improving Access to Services for Persons with Limited English Proficiency*, states that differing treatment based upon a person's inability to speak, read, write or understands English is a type of national origin discrimination which is covered under Title VI. It directs each agency (e.g., FHWA) to publish guidance for its respective recipients (e.g., NYSDOT) clarifying their obligation to ensure that such discrimination does not take place. This order applies to all state and local agencies that receive federal funds and extends to its sub recipients.

Plan Summary

The Village of Lindenhurst has developed this *Limited English Proficiency Plan* to help identify reasonable steps for providing language assistance to persons with limited English proficiency (LEP) who wish to access services provided. As defined by Executive Order 13166, LEP persons are those who do not speak English as their primary language and have limited ability to read, speak, write or understand English. This plan outlines how to identify a person who may need language assistance, the ways in which assistance may be provided, staff training that may be required, and notification to LEP persons regarding the availability of assistance. For detailed guidance regarding LEP, see NYSDOT's LEP Plan at:

[https://www.dot.ny.gov/divisions/policy-and-strategy/public-trans-respository/Attachment%20D-1%20LEP Plan.pdf](https://www.dot.ny.gov/divisions/policy-and-strategy/public-trans-respository/Attachment%20D-1%20LEP%20Plan.pdf).

In order to prepare this plan, the Village of Lindenhurst used the Federal Highway Administration (FHWA) Four-Factor LEP analysis:

1. The number or proportion of LEP persons in the service area who may be served by the Village of Lindenhurst.
2. The frequency with which LEP persons come in contact with Village of Lindenhurst services.
3. The nature and importance of services provided by the Village of Lindenhurst to the LEP population.
4. The interpretation services available to the Village of Lindenhurst and overall cost to provide LEP assistance. A summary of the results of the four-factor analysis is found in the following section.

MEANINGFUL ACCESS: FOUR-FACTOR ANALYSIS

1. The number or proportion of LEP persons in the service area who may be served or are likely to require Village of Lindenhurst services

The Village of Lindenhurst staff reviewed the American Community Survey 5-Year Estimates for New York State and determined that:

The Village of Lindenhurst service area does not have a large population of non-English speaking residents. However, the Village of Lindenhurst will make services available upon request and perform community outreach to make sure that information is properly disseminated. This information has also been posted to the Village's website at villageoflindenhurstny.gov.

2. The frequency with which LEP persons come in contact with Village of Lindenhurst services

The Village of Lindenhurst reviewed the frequency with which their staff have, or potentially have, contact with LEP persons. This includes documenting phone inquiries or office visits. The Village of Lindenhurst other staff have had very little contact with LEP persons.

3. The nature and importance of services provided by the Village of Lindenhurst to the LEP population

There is no large geographic concentration of any type of LEP individuals in the service area for the Village of Lindenhurst. The overwhelming majority of the population, 95%, speaks only English. As a result, there are few social, service, or professional and leadership organizations within the Village of Lindenhurst service area that focus on outreach to LEP individuals. The Village of Lindenhurst Hall staff is most likely to encounter LEP individuals through office visits, phone conversations, notifications from department staff regarding the results of service delivery, and attendance and participation at public meetings.

4. The resources available to the Village of Lindenhurst, and overall cost to provide LEP assistance

The Village of Lindenhurst reviewed its available resources that could be used to provide LEP assistance and inventoried its documents to determine which are suitable for translation if the need arises.

The Village of Lindenhurst contacted local citizens and organizations willing to provide voluntary language translation and interpretation services if needed within a reasonable time period. Other language translation options could be provided by bilingual staff or by telephone from a professional interpretation service for which the Village of Lindenhurst would pay a fee.

LANGUAGE ASSISTANCE

A person who does not speak English as his/her primary language and who has a limited ability to read, write, speak or understand English may be a Limited English Proficient person and may be eligible to language assistance with respect to Village of Lindenhurst services. Language assistance can include interpretation (that means oral or spoken transfer of a message from one language into another language) and translation (that means the written transfer of a message from one language into another language).

How the Village of Lindenhurst staff can identify an LEP person in need of language assistance:

- Post notices of the LEP Plan and the availability of interpretation or translation services free of charge in languages LEP persons would understand.
- Providing Village of Lindenhurst staff with language identification cards to assist in identifying the language interpretation services needed if the occasion arises.
- Periodically surveying Village of Lindenhurst staff regarding their interaction with LEP persons during the previous period (e.g., quarterly, semi-annually, and annually).
- Greeting participants at the Village of Lindenhurst sponsored informational meeting or event. Conversational interaction with participants can help determine LEP needs for future events.

Language Assistance Measures

Although there is a very low percentage of LEP individuals in the Village of Lindenhurst service area, (i.e., persons who speak English less than “very well” or “not at all”), the Village of Lindenhurst will take the following actions:

1. The Village of Lindenhurst staff will take reasonable steps to provide the opportunity for meaningful access to LEP clients who have difficulty communicating English.
2. The following resources will be available to accommodate LEP persons:
 - Volunteer Spanish language interpreters will be provided within a reasonable time period.
 - Language interpretation services for all other languages will be accessed through a professional telephone interpretation service.

STAFF TRAINING

The information below will be disseminated to staff. Training opportunities on these topics also will be provided:

- Title VI Policy and LEP responsibilities
- Description of language assistance services offered to the public

- Proper use of interpreter service provider's language identification cards
- Documentation of language assistance requests
- Handling of Title VI/LEP complaints

All contractors or subcontractors performing work for the Village of Lindenhurst are required to follow the Title VI/LEP guidelines.

TRANSLATION OF DOCUMENTS

The Village of Lindenhurst weighed the cost and benefits of translating documents for potential LEP groups. Considering the expense of translating documents, the likelihood of frequent changes in documents and other relevant factors, the Village of Lindenhurst has determined that it is an unreasonable burden to translate documents at this time.

Due to the very small LEP population, the Village of Lindenhurst does not have a formal outreach procedure in place as of [Enter year here]. Translation resources have been identified and are limited in this region. However, if the need arises to conduct outreach to LEP individuals, the Village of Lindenhurst will consider the following options:

- When staff prepares documents or schedules public meeting whose audience is expected to include LEP individuals, the Village of Lindenhurst will provide meeting notices, flyers, and agendas in the appropriate non-English language(s).
- Village of Lindenhurst will assess requests for the translation of documents based on the potential effect and known LEP population.

MONITORING

Monitoring and Updating the LEP Plan – The Village of Lindenhurst will update the LEP Plan as required. At a minimum, the plan will be reviewed and updated when recent data from the U.S. Census and the American Community Survey is available, or when it is clear that higher concentrations of LEP individuals are present in the Village of Lindenhurst service area. Updates to the LEP Plan will include the following:

- The number of documented LEP contacts encountered annually.
- How the needs of LEP persons have been addressed.
- Determination of the current LEP population in the service area (census data, surveys, information from community-based organizations, and other sources).
- Determination as to whether the need for translation services has changed.
- Determination of the effectiveness of language assistance efforts
- Determination of the adequacy of the Village of Lindenhurst financial resources to fund language assistance resources.
- Determination of the Village of Lindenhurst full compliance with the goals of the LEP Plan.
- Determination of the Village of Lindenhurst processing of LEP complaints

DISSEMINATION OF THE VILLAGE OF LINDENHURST LEP PLAN

Choose from below the actions that Village of Lindenhurst will take:

- Post signs in Village of Lindenhurst public areas informing LEP persons of the LEP Plan and how to access language services.
- Notify LEP persons of the availability, upon request, of documents in other languages. This should be placed on agendas and public notices and in the language that LEP persons would understand.
- On Village of Lindenhurst's website, post the LEP Plan and procedure to access language services.
- Prepare and post Press Release in non-English languages as necessary.
- Distribute copies of press release to advocacy groups and other organizations serving LEP populations.
