RE: Public Hearing Notice – 75 E. Hoffman LH, LLC

Dear Ms. Compitello:

I am writing you today as a follow up to a public hearing notice, which was recently mailed to your office. Since it had been sent, the Babylon IDA has been made aware of some concerns with the original venue, Lindenhurst Village Hall. Due to concerns regarding a lack of capacity for the anticipated attendees, the potential safety concerns associated with such attendance as well as the absence of handicap accessibility at the location; the IDA has decided to move the public hearing a short distance down the road to the Lindenhurst Middle School in order to alleviate these issues. Included with this letter is a copy of the revised public hearing notice for posting at your location. If you have any question please do not hesitate to contact our office. Thank you in advance for your attention to this matter.

Best Regards,

Thomas E. Dolan
Acting Chief Executive Officer
