Regarding Properties with Exemptions:

The Tax Rate for 2024 is 22.00%.

If a property has an exemption and you want to calculate the total tax without the exemption: Multiply the total assessed value of the property before the exemption by the rate; this is the total base tax without the exemption. Exemptions do not apply to the sanitation fee or MTA tax.

Example: Assessed Value with Exemption: 5,853 Assessed Value Without Exemption: 6,705
6,705*. 22% = \$1,475.10 PLUS Sanitation Fee and MTA Tax.

PLEASE NOTE: Tax information is not given out over the phone. Tax information requests can be faxed to (631) 957-4605. There is a \$5.00 fee per parcel for fax requests. Tax information can also be found by coming to Lindenhurst Village Hall to review the Tax Roll Books. There is no charge when an in-person search is done. The request form can be found under the online forms tab.
